

**FOR IMMEDIATE RELEASE**

## **SHABACH! CHRISTIAN ACADEMY TO PARTICIPATE IN THE NAVY LEAGUE'S 2015 STEM EXPO**

SHABACH! Christian Academy (SCA) and its innovative STEM Aviation Program will be on display for county middle and high school students.

**(Landover, MD) April 6, 2015** – SHABACH Christian Academy is pleased to announce its participation in the inaugural Naval STEM Exposition, a one-day event that will highlight the importance of STEM careers and kick off the 50<sup>th</sup> Sea-Air-Space Expo at the National Harbor's Gaylord Convention Center. This event will be held on Sunday, April 12, 2015 from 10am – 2pm.

Hands-on exhibits range from Marine Corps robotics to virtual flight simulators. Career exploration exhibits will allow students to understand the wide range of careers needed to support our maritime nation and inform students on the type of education needed to pursue fulfilling careers. Students in grades 6-12 are encouraged to attend and set the direction of their education today to have the naval career of their future!

SHABACH! Christian Academy will showcase their STEM-Aviation Program under the direction of Arthur Johnson, Rear Admiral, US Navy, Retired, and CEO of Destiny Aviation Services. In its second year of existence, SHABACH! Aviation continues to excite, inspire and sustain students' interest in science, technology, engineering and math and related career choices through weekly exposure to the dynamic world of aviation. Academic presentations are coupled with scientific explorations, hands on applications in a PC-based flight simulator laboratory and a variety of field experiences, to create a rich experience-based learning environment.

### **About SHABACH! Christian Academy**

SHABACH! Christian Academy is a ministry of the First Baptist Church of Glenarden, under the leadership of Senior Pastor John K. Jenkins Sr. – an avid aviation owner/operator. The Academy serves two-year olds through 8th grade students in a learning environment that is committed to strong foundations, rich experience and intentionality in technological innovation.

### **About Sea-Air-Space Expo**

The Navy League's Sea-Air-Space Exposition was founded in 1965 as a means to bring the U.S. defense industrial base, private-sector U.S. companies and key military decision makers together for an annual innovative, educational, professional and maritime based event located in the heart of Washington, DC. Sea-Air-Space is now the largest maritime exposition in the U.S. and features more than 200 dynamic, innovative and sophisticated defense and maritime industry exhibits displaying the latest in technology and equipment.
